Ashtabula County Community SEED Libraries!

Did you know Seed Libraries are sprouting up all over our county?

— Anyone can take seeds from the library. **Take some!** —

— Anyone can donate seeds to the library — We'll take any seed. **<u>Please Donate</u>** —

— Volunteers help maintain their local seed library. **Join us!** —

Over time, as a community, we'll develop food plants with locally-strong genetics! You don't have to know how to save seed to participate, but it is highly encouraged—and also easy to learn! There are books, websites, and classes! All available at your local library!

Watch your participating library's calendar for seed saving class every Fall!
